## Presidents Report June 2018

This is my first report as President. I would like to say "Hi" and a big welcome to the Branch. Not just to old members but new ones too. It does not matter if you are old or new, every member is important to become a strong and growing Branch. The new list of Chairpersons will be coming out. There will be some the same and some new to their position. Many of these Chairs will need help and I hope you will come out and support them. The first being Canada Day, many jobs to be filled. We are looking for people to set-up and put things away after it is over. One big job is bartenders that day. If you have Smart Serve and can help for a couple of hours please volunteer.

The next 18 months to 2 years are very important to our Branch. We have to survive to keep this building open and to build for the years to come in the new building. This can be done by working together, both Branch and Auxiliary. I hope I can work towards this goal. I'm always available to listen. Don't be afraid to come and talk.

R.L. Robison  
President

## 1st Vice President Report June

Comrades

As 1<sup>st</sup> vice president I look forward to the coming year and all the great things that will be happening. Over the next year I hope to see the membership come together and support all events and activities at the branch, especially in the poppy campaign. I look forward to the upcoming events that I will be evolved in, such as the Canada Day Patio Party with Small Town Justice and Golfing Fore the Building Fund Tournament in September. Both of these events will need volunteers to be successful, so if anyone is interested in helping please let me know.

Thanks

Jennifer Robison

## The New Past President's Report

I would like to congratulate Bob, Jenn, and Rod on their new positions within the Branch. I know they have a deep love and regard for the Legion and Branch. I congratulate those who came into the Executive. You are known for your loyalty to the Branch and we can expect you will do an excellent job in what the President has assigned to you.

As for me, I will attend the Executive meetings, looking profoundly wise, dispensing sage and worldly advice when called upon; hmmm.

I see that the 1 July Patio Party has been greenlit and Rod has his Loonie Loonie Sunday Darts starting shortly. All this in support of the new building. It is easy to see where these volunteers' hearts are.

LEST WE FORGET. LEST WE FORGET.

John Aitken, Past President, Br.133, RCL, Cobourg

Hello Ladies

Just a reminder of the Decoration Day ceremony on June 3rd at 1pm at Union Cemetery. We are in need of volunteers to place red carnations on the past LA members' burial sites. Please contact me if your able to assist in decorating the cemeteries.

June 17th is our Strawberry Tea. Kitty Lipa & Carol Skillen are convenors' for the event. Door Tickets (Jennifer Brooks) and Raffle Tickets (Janet Richardson) are available for purchase prior to event. Kitty is looking for help to pick the strawberries, please contact Kitty to assist in this task. Please bake for our bake table and if you are crafty with making things your contributions to the craft table is much appreciated. Your contributions to a successful fund raiser event is most appreciated. Please help out wherever you are able!

Ladies, we still have a few officer spots and executive spots to fill. Carol Davies has decided to join the executive team for which we are very happy. Please consider taking a position (a few hours a month of your time) to assist in the team work to keep the LA organization strong. There are many members to support you with any challenges you might come across.

Also, we have three votes at the Provincial Convention September 8-12, and at this time another delegate is required. Please consider as this is a item for the June 4' 2018 meeting.

Have a happy and safe summer holidays.

In comradeship  
Jennifer Young-1st Vice President-Branch 133 Cobourg.
