## **Presidents Report September 2018**

The Summer is over and fall is coming. We have new chair persons, so if you find something or need to know anything just approach the chair person or talk to the person in charge of the topic you are wondering about. The dart leagues are starting soon and we will be returning to fall and winter hours. The branch will be running many functions throughout the fall and winter months. The branch's 90<sup>th</sup> year is coming and an event is being planned, so watch out and listen for more information on this event. In the spring the branch will be hosting the district F convention, there will more to come on this event. On Sept 16<sup>th</sup> 2018 the branch will be running a branch golf tournament, get a team together and come out and have some fun. Many prizes will be given out for hole in ones, like a trip to Las Vegas for a week, and 2 new cars. For more information on it call Jennifer Robison at 905 375 5451. All these events are fundraisers for the new building and we have to be prepared for this. The meat draw is one of our best money maker but help is needed. Contact Rod and volunteer. A motion has been passed by the executive about non members, a charge of \$2 a person will be charged to them at the bar. This has to be passed at next general meeting, if you have something to say on things, then come to the meeting and have your say. Don't wait till after to say something, if you do it will be too late.

President

In September we will be hold a Golfing Fore the building Fund golf tournament at Dalewood Golf course. All proceeds from this event will for to the building fund to help with our move. If anyone is interested in playing or in providing sponsorship for this event please contact me either by phone or email. With the fall coming things with the poppy campaign will be getting started and we will be looking for volunteers to many different jobs. Also this year we will be celebrating our 90<sup>th</sup> birthday with an event in the upcoming months. I look forward to seeing all of you in the fall.

## Past President Report

It has been a very quiet summer. I did enjoy a great holiday in BC. On the 18<sup>th</sup> of August, I attended the LD seminars (once called TOD) in the afternoon. The information on being a PRO was very helpful.

On the 15<sup>th</sup> of September, 9 AM to 1PM, there will be a yard sale at the Branch. If you have donations please call Jo at 289-251-3478.

Congratulations to the 3 ordinary member who received their long membership pins. Their pictures will be in the November Legion magazine.

In September, we also have Legion Week and a Legion Golf Tournament.

Lest we forget, lest we forget.

## Building Committee Update

The committee has been meeting throughout the spring and summer. Because of the current stage of building development, the priority is to decide the type of heating/cooling system that will best serve the Legion. The primary concern is to put in place a system, that is cost efficient, and will not interfere with Legion activities.

## Membership Report

August is coming to a close as I prepare my message for the Missile, a long hot humid summer for some and not long enough for others.

I attended a Seminar at Grafton on the upcoming membership year. This year when you pay your dues you will receive 2019 sticker to place on the back of the plastic red card you received when paying your 2018 dues. At the time of this writing, we still have about 30 cards at the bar for dues paid but card never picked up. Also, we still have 85 members that have not paid 2018 dues. In this electronic era people are turning to the internet for information, shopping and paying dues for different membership clubs. It's a sign of the times that people are looking for convenience in their life. PLEASE think about this before you pay your dues on line, you don't want to drink and drive but I could go into Branch 133 have a coffee (we have a new Keurig machine) or buy a pop or water. I might meet someone that I haven't seen for a while or I might meet someone new. Every time you purchase something at the bar we are helping to keep our branch alive. Put your Loonie in the weekly draw, you'll have a chance to win half of the money and the other part helps support the community,

Nevada tickets are also sold at the bar, again helping the branch expenses and supporting the community. Our Early Bird Campaign starts September 1st you will be able to pay at the bar and on Friday and Saturdays we will have volunteers there to take your dues during the meat draws. The membership office will be open Tuesday, Thursday & Friday from 10 am until 1 pm, we are on the third floor but there is always a friendly face waiting to greet you at the top. I am looking for an extra volunteer in the membership office to help through the early bird campaign September, October and November. One day a week would be a big help and no special skills needed other than a good sense of humour. Pay your dues during the Early Bird Campaign for a chance to win your dues paid for the following year.

**HONOURS AND AWARDS:** this is also part of the membership office responsibility and we did not have a presentation night this past May.

I will be attaching the years of service pins to your new dues card. This may not please some but it's something we will do for now and can be changed at a later date. Watch for your fellow members that received long time service pins in the November copy of Legion Magazine.

Thanks to John Aitken for covering this seminar for me and for getting pictures of these members submitted.

Respectfully submitted

Josephine

## ENTERTAINMENT NEWS:

What a wonderful participation in the fall mystery tour to Niagara Falls!

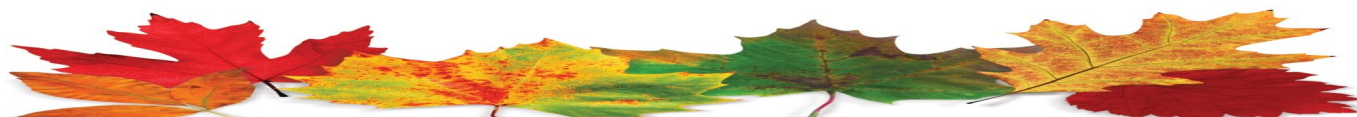

56 ladies – full bus – I guess you really missed the last two that never happened. As I have said all along, it is very hard to find a weekend that doesn't have other Legion events happening, or Thanksgiving, or Easter...and I finally thought this weekend would work for everyone. It really does, but alas, I cannot attend myself!

I leave you in the capable hands of my sister, Aldene Cooper, as I am otherwise committed on October 20<sup>th</sup>. Just a reminder – the usual pick up in Cobourg at 7.45 a.m. at the legion and Port Hope at 8. a.m. at Metro parking lot.

Have a great time and I will start to plan one for APRIL!

## **BE AN EARLY BIRD!!! GET YOUR DUES PAID UP TODAY!!**

Ladies, Ontario Command has raised the per capita tax they charge all members to keep them funded for the Provincial expenses. Overall membership is decreasing and expenses keep rising. For the 2019 year we will have to pay Command \$15.00 for each member. The executive over the summer decided we also had to raise our dues. When you pay your dues this fall, the fee will be \$25.00.

We value your membership and look forward to your renewed participation. Please remember if your dues are not paid by December 31<sup>st</sup>, you may not participate in Zone sports.

Please put your money or cheque payable to the auxiliary in an envelope in the auxiliary mailbox at the branch. Please include a stamped return envelope to receive your new card.

The Birthdays and Anniversaries book is severely out of date. Please drop me a line or leave me a note with your date of birth, wedding, update address and phone numbers and even an email if you have one. Also remember we have the auxiliary Facebook page if you want to be notified of things as they happen.

**Comrades**

On November 11, 1918 at 11:00 a.m. – The eleventh hour, of the eleventh day, of the eleventh month, “the war to end all war” came to an end. The guns finally fell silent, bringing to a close four long years of unspeakable war.

November 11, 2018 will mark the monumental gathering in France and Belgium on the occasion of the 100<sup>th</sup> Anniversary of the end of the Great War, the final events which will bring to a close four years of Remembrance and reflection – a centenary that will also no doubt include various events and ceremonies that will take place across Canada.

The Royal Canadian Legion will assist in commemorating this historical 100<sup>th</sup> centenary, through the introduction of a 1918-2018 commemorative Armistice Centenary lapel pin. This commemorative lapel pin has been designed by our Supply Department, and approval has been given by the members of Dominion Executive Council for it to be worn on Legion dress.

Through the approval given, this Commemorative lapel pin is authorized for wear on Legion Dress and L.A. Dress for the period of May 1, 2018 through to December 31, 2018. It is permitted to be worn on the right lapel of the Legion blazer or L.A. blazer directly below the current “We Support Our Troops” lapel pin for the period up to and including December 31, 2018. In doing so, we as a Legion will show our support in commemorating this historical military event in Canadian history.

The new 1918-2018 Armistice Centenary lapel pin is now available for purchase through our Supply Department. We ask that you support this initiative by adding this commemorative lapel pin on your Legion or LA blazer for the period prescribed.
