Presidents Report

Happy New Years Comrades

I hope everyone had a wonderful holiday season break with family and friends. 2022 was a really good year for our Branch. We are growing in numbers and strengthening in working together to achieve our common goal in making the Legion successful. I want to thank everyone who has given so much of their time to volunteer to get us to where we are.

The banquet hall has been booked almost every day for meeting, training, courses, celebrations of life, weddings and more, that's a positive sign.

The entertainment committee is working on weekly and monthly events to provide our members with fun and entertainment.

Please remember that there will be a fund raising hockey game at the Cobourg Community Centre on Monday January 16th. This is a joint event with the Cobourg Cougars and the Legion. The event name has been changed to "Canadian Armed Forces Veterans Appreciation Day". This will be a big event which will be a fund raiser for the Legion. The Cougars will wear specially designed Jerseys with green camouflage with the Legion Crest on the shoulder. The Jerseys will then be auctioned off at the game and presented to the top bidders at the end of the game. The funds will go to the Legion and will then be donated to "Operation Leave the Streets Behind" and "Operation Service dogs".

All Legion members will have free access to game along with the cadets and military personnel.

Thank you again to all of our volunteers who put in numerous hours to better the Legion.

As always, please do not hesitate to reach out to if you have any question, concerns or complaints.

In comradeship,
Rod Ingersoll
President

Veteran's Service Officer

Hello Comrades,

2022 was a good year as VOS. We were able to help out dozens and dozens of Veterans and Veterans families throughout the year.

The Legion has several programs, like Leave the Streets Behind, Service Dog, VIP Service, and many more.

If you served with the military in the reserves, regular forces, RCMP or the Canadian Coast Guard, you may be eligible for assistance.

If you feel that the Legion and or Veteran Affairs may have something for you, please do not hesitate to contact me at 416-618-6266.

In comradeship,

Rod Ingersoll

Some good things happened in the past year. Who can forget the GRAND opening of our new Legion Hall? Now we have the new parking lot too which is on the footprint of our former building. We also have welcomed many new members and hopefully that trend will continue.

With a New Year come many opportunities. 365 brand new days which have never been used before. Hopefully you will use some of them to visit the Branch.

Consider attending the general meeting on the third Thursday each month. 7.30pm, that's where you get the inside scoop of what's going on. This is Your Legion, come and enjoy it. Pitch in and help out! There is lots going on and volunteers make things happen.

May you all be richly blessed throughout this New Year.
